## 20th Annual Northwest Environmental Conference & Tradeshow

**Monday, December 8, 2008 –  
Tuesday, December 9, 2008**

Red Lion Hotel on the River – Jantzen Beach | Portland, Oregon

Presented by:

Associated Oregon Industries

Northwest Environmental Business Council

Oregon Department of Environmental Quality

Washington Department of Ecology: Vancouver Field Office

[www.nwec.org](http://www.nwec.org)

## The Northwest Environmental Conference

is the largest, most comprehensive environmental conference and tradeshow in the Pacific Northwest. NWECC's goal is to provide Northwest businesses, agencies and other organizations with high-quality, low-cost environmental training, information, discussion and networking opportunities.

The 2008 Conference continues a 20 year tradition of providing a forum encouraging environmental excellence throughout the Pacific Northwest.

### PROGRAM HIGHLIGHTS

Whether you need a refresher in environmental regulations or are looking for new ideas for improving environmental performance, you will find it here!

- **4 Tracks featuring 33 thought-provoking sessions presented in a wide range of formats:**
  - ~ **Back by Popular Demand "101" sessions** provide basic, yet necessary information to those new to the field or unfamiliar with the topic.
  - ~ **Advanced sessions** provide information about emerging environmental issues and technology.
  - ~ **"Roundtable – Hot Topics" sessions** offer an opportunity for interactive discussions about controversial environmental issues.
  - ~ **Early Bird Technical sessions** offer practical information to those able to "rise" to the occasion. *Advance registration required – hot breakfast included.*
- **Field trips to local businesses** demonstrating innovative environmental technologies. *Advance registration and transportation fee required.*
- **HAZWOPER Materials Training Seminar** - 8 Hour Refresher December 10, 2008. *Advance registration and additional fee required.*

### NEW THIS YEAR! GREENING PROGRAM

**Here's How You Can Help:** Conference Attendees are encouraged to participate in the NWECC Conference Greening Program:

- Make the "Green Pledge" to take alternative transportation to conference location
- Make the \$5 Carbon Offsets pledge at the time of conference registration
- Bring a used badge holder from another conference to use
- Bring your favorite reusable water bottle
- Recycle excess and unusable handouts, brochures, etc. after the conference
- Turn in name badges for reuse after the conference

For Alternative Transportation Information visit our website: [www.nwec.org](http://www.nwec.org)

### AOI ENVIRONMENTAL EXCELLENCE AWARD

The AOI Environmental Excellence Award is Oregon's most prestigious environmental business award. The award goes to an outstanding individual who, throughout their career, has demonstrated a dedication to the "Oregon Way" of protecting and enhancing this state's wonderful way of life. The Oregon Way is often described as a cooperative, innovative, and personal approach to advancing environmental progress.

### THE BUSINESS IMPLICATIONS OF CLIMATE POLICY

**Dr. Mark Trexler**, Managing Director, EcoSecurities Consulting, Portland, OR

A look ahead to the business ramifications of greenhouse gas emissions reduction mandates on economics and competitiveness, who will win and lose, and how companies can best position themselves in the midst of uncertainty and risk.

**Tuesday, December 9, 2008**

### LUNCH ON THE LIGHTER SIDE

Following an annual tradition, the steering committee always hits a home run selecting a speaker for this luncheon. After two days of intense learning, they look for someone who brings humor to our table. This year, they don't disappoint. Oregon's own Dave Anderson, comedian extraordinaire, will be sure to leave you laughing.

### CONTINUING EDUCATION UNITS/PROFESSIONAL DEVELOPMENT HOURS

NWECC has applied for credits from the following organizations:

- American Board of Industrial Hygiene
- Oregon State Bar Association
- Washington State Bar Association
- Oregon State Board of Examiners for Engineering
- Institute of Hazardous Materials Management

### HAZWOPER MATERIALS TRAINING SEMINAR

**HAZWOPER First Responder Operations Level / Refresher 8 Hours**
